

Terms and Conditions for the site and bot called Radio Box

Effective date: 4th day of September 2022.

By accessing or browsing the site, you represent that you have read and understood the Terms and Conditions of Use and agree to be bound by them. Please note that we may change the terms of use at any time without notice. Your continued use of the Site will be deemed your acceptance of the revised terms and conditions.

The following terms and conditions govern and apply to your use of or reliance on the Site maintained by UltraLion.

This service ('the bot' and 'the website') is not affiliated with the proposed radio stations or Discord Inc.

Legal Age

You may not use the Radio Box services if you are not of legal age (13) to use Discord. If you are caught being underage, we have every right to ban you from our bot and services and your account will be reported to the Discord security team.

Proper Usage

Abuse* (spamming errors, attempting to break the bot by continuous use of buggy commands in an open/closed channel) in any form is prohibited. This will result in a lifetime ban from using the bot and your account will be reported to the Discord security team.

Bans

You may not use Radio Box or any of its services for any unauthorized acts, or any acts (such as selling and buying NSFW content through our bot or services) that are contrary to Discord's terms of use. If you are caught doing such acts, we

have the right to ban you from using our services and report your account to the Discord Security Team.

Intellectual Property

Radio Box was developed as a project for the discord community. All of its services are copyrighted and intellectual property of the Radio Box developer team. Attempting to claim these services as your own will result in a lifetime ban from our services and your account will be reported to Discord under the act of fraud and a complaint will be filed.

Will Radio Box ever change its services?

We are always trying to improve our Services, so they may change over time. We may suspend or discontinue any part of the Services, or we may introduce new features, impose limits on certain features, or restrict access to all or part of the Services. We will try to notify you when we make a significant change to the Services that may adversely affect you, but this may not always be possible. We reserve the right to remove any content from the Services at any time, for any reason (including, but not limited to, if someone claims that you contributed such content in violation of these Terms), in our sole discretion and without notice.

Do the Radio Box services cost anything?

The Services are currently free for your personal, non-commercial use.

Will these terms ever change?

We are constantly trying to improve our services, so these terms may need to change as our services change. We reserve the right to change the Terms at any time, but if we do, we will place a notice on our site located at <https://radio-box.dev>.

If you do not agree with the new Terms, you are free to reject them; unfortunately, this means that you will no longer be able to use the Services. If

you use the Services in any way after a change to the Terms has taken effect, it means that you accept all changes.

Except for changes made by us as described here, no other amendments or modifications to these Terms will be effective unless in writing and signed by both you and us.
